Peter White is an extraordinary and fluent acoustic guitarist whose skills are world-renowned. Euge Groove adds a dynamic charm to his music with exquisite saxophone artistry and wisdom. With several number one tracks on the Billboard Contemporary Jazz chart, sultry and soulful young singer/composer Lindsey Webster has taken the contemporary jazz world by storm. Vincent Ingala is no stranger to contemporary jazz audiences- his charisma, energy, and musicianship will put a smile on anyone's face.

Euge Groove is a quadruple threat; the saxophonist, composer, producer, and DJ, has built an impressive career as a free spirit who remains true to his own artistic vision. It is no wonder the charismatic saxophonist has been able to record a string of #1 hits and garner a devoted following. Euge's latest CD on Shanachie Records is *Groove On!* (2017).

Vincent Ingala "I can vividly remember not being able to fall asleep waiting for Santa Clause to arrive on Christmas Eve. Somehow though, he always managed to get the job done while I was sleeping, and before I could catch him! I remember feeling extra special that Santa would place all of the gifts around the fireplace like a display, as opposed to them being wrapped under the Christmas tree. I would sneak downstairs multiple times with my flashlight to get a sneak peek before the sun would rise on Christmas morning! Memories such as these I will always continue to hold in my heart, they and are what makes Christmas a very magical time of the year." Vincent's latest release is *Personal Touch* (2018) on Shanachie Records.

Lindsey Webster was named Billboard's Number One Smooth Jazz Artist of 2016 and 2017. Her most current release is *Love Inside* (2018) on Shanachie Records. "Nothing gets me more in the Christmas spirit than the music!" says Lindsey Webster. "The moment I start hearing Christmas carols I get that magical feeling that I had when I was a child...back when the thought of Santa traveling all around the world, delivering presents to all the children, was the most incredible and exciting task anyone had! As an adult, it has surely changed, but Christmas music always gets me right back into the spirit of it all."
