Regan's new Netflix series, *Stand Up And Away! With Brian Regan*, premiered on Christmas Eve 2018. Later this year, Regan will reprise his role of "Mugsy" in the third season of Peter Farrelly's TV series, *Loudermilk*, on The Audience Network. Farrelly personally cast Regan in the series, which premiered on October 17, 2017 to rave reviews with Regan earning accolades for his portrayal of a recovering addict who is estranged from his family.

In November 2017, Regan premiered his first Netflix special, *Brian Regan: Nunchucks and Flamethrowers*, the first of a two-special deal with Netflix. Regan's previous stand-up special, *Brian Regan: Live from Radio City Music Hall* (2015), was the first-ever live broadcast of a stand-up special in Comedy Central's history. The special was critically acclaimed with *Vanity Fair* calling Regan, "The funniest stand-up alive."

Regan made his Kennedy Center debut on March 21, 2019 following years of performances in New York City's finest theaters including Lincoln Center's Avery Fisher Hall, The Beacon Theater and Radio City Music Hall. Regan's tour has included visits to Denver's legendary 8600-seat Red Rocks Amphitheater and the 12,500-seat EnergySolutions Arena in Salt Lake City.

A regular on *The Tonight Show Starring Jimmy Fallon*, Regan is the rare stand up guest who the show invites on for two segments: a performance segment followed by a segment on the couch to chat with Jimmy. Regan was a guest on two episodes of *Seinfeld's* Comedians in Cars Getting Coffee, made a scene-stealing cameo in Chris Rock's film, *Top Five*, and made 28 stand-up appearances on *The Late Show With David Letterman*.

Regan's comedy releases include: *Brian Regan: Nunchucks and Flamethrowers* (2017) on Netflix; *Brian Regan: Live From Radio City Music Hall* (2015) airing on Comedy Central and is available on CD & DVD and as a video or audio download; *All By Myself* (2010) is available on CD and download only through his website; his two previous hour-long Comedy Central specials, *The Epitome of Hyperbole* (2008), and *Brian Regan Standing Up* (2007) are available on DVD or as a video or audio download; *I Walked on the Moon* (2004) is available on DVD or as an audio or video download only through his website and *Brian Regan Live* (1997) is available on CD.
