SURPRISE! BRAND NEW PEPPA PIG LIVE SHOW ANNOUNCED

"Peppa Pig's Surprise" Will Visit More Than 60 Cities Beginning Fall 2017;

Tickets On-Sale Beginning March 10

Live at the Florida Theatre September 23

New York – March 7, 2017 – Surprise, Peppa Pig fans! A brand new, live stage show announced today ensures Peppa Pig will be touring North America through 2017 and beyond. ***Peppa Pig's Surprise*** will visit more than 60 cities, including Los Angeles, Chicago, Dallas, Detroit and Atlanta. The *Peppa Pig* stage show, based on Entertainment One's (eOne) top-rated TV series, airing daily on Nick Jr., is one of the most successful family theater tours in U.S. history. One hundred twenty five venues have completely sold out with 300,000 tickets sold in the U.S. to date.

Peppa's Pig *Surprise* will be live at the Florida Theatre on Saturday, Sept. 23 for two shows at 1pm and 5pm. VIP packages that include a meet and greet are available starting Tuesday,

March 7 at noon. Tickets on-sale to the public Friday, March 10 at 10:00 a.m. and can be purchased by calling the box office at 904.355 2787 or floridatheatre.com.

In ***Peppa Pig's Surprise***, it's a lovely day and Peppa is playing outside with her friends. Mummy Pig and Daddy Pig have got a surprise for her and her younger brother George, but no matter how hard they try, they cannot guess what it is. Audiences will enjoy interactive fun, games and, of course, many surprises. The live show encompasses the charming, colorful nature of the incredibly popular television series and features brand-new songs and life-size puppets that walk, talk, dance, and jump up and down to give audiences a unique, interactive theatrical experience from the moment the curtain opens. The fun-filled show brings the hit TV series to life on stage, giving families the opportunity to engage with their favorite characters like never before in an unforgettable first live theater experience.

“Peppa Pig's Surprise promises to be the perfect theater show for all preschoolers,” said Director Richard Lewis, who returns to adapt episodes from the hit TV show for stage as he did with the touring smash hit ***Peppa Pig's Big Splash***. “It’s been an incredible experience seeing the children’s reactions to the live stage show. It just confirms that Peppa Pig really is a worldwide phenomenon.”

“Audience response has been overwhelmingly positive to the first tour and we look forward to bringing Peppa’s story to life on stage once again with a whole new adventure,” said Jonathan Shank, Executive Producer, Red Light Management. “Kids love interacting with these characters on stage.”

Peppa’s first North American theater tour, and what will be the final leg of ***Peppa Pig's Big Splash***, resumes March 25 in Anaheim, CA. By popular demand, 40 additional cities were added to the tour schedule this year, including coast-to-coast stops from Oakland to Newark and many more. In addition, the hit live show will make an exciting visit north of the border for the very first time with stops in major Canadian cities, including Toronto, Vancouver and Montreal.
